REMINDERS

Don't Miss

1) Camp Bandina: If you've missed turning in your camp application, then you've missed the first cut-off point. The good news is that you still have time to catch the second cut-off point. Honestly, I'm not sure when that point is but you can make it a point to reserve your spot at camp now. Seriously, summer camp is always a growing point in our teenagers' lives. And this year our theme is focused around taking God more seriously. For planning purposes, we will be leaving the church building on Sunday, June 8 at 8:00 am and will be returning from camp on Saturday, June 14 between 5-6 pm. Get your forms into Erwin Veteto.

2) Brazos Valley: After a week break, we will be hosting a new Brazos Valley camp for our 3rd through 6th graders up in Corsicana. We are excited about the possibilities with this new camp ground. It is way different than previous years because we have an indoor basketball court, paddle boats and canoes, and better cabins and showers. There are some other differences that will make it a very exciting week so be sure and get your forms turned in ASAP.

3) VBS: At the end of July we will be hosting a VBS. It's going to require lots of man-power to pull it off. Please do everything you can to help with the kiddo's, the puppets, the food, the acting, and the classes. We need teens to sign up with Shelly Lewis for any and all openings.

Maranatha,
Kouba

Summer Bible Reading Club

The Summer Bible Reading Club plans are coming together and the beginning of the activity is just a few weeks away. Reading schedules will be given out soon. We will be reading through the New Testament together. There will be prizes awarded to the children as they reach bench marks in their reading. The one big difference that we are proposing this summer is that you invite your neighborhood kids or relatives or team mates to sign up to participate too.

To make it more friendly and appealing to our friends, we will have a Bible Power Hour each Monday morning. There will be story times and puppet shows, as well as time to report progress and receive awards.

For this to be a big success, we will need some of our kids to be here each Monday to take part. And we need some parents or interested teens and adults to help present the Power Hour. Stacey Kouba is your contact to enlist in the effort.

We mentioned Sunday the opportunity to purchase a tee shirt that adds color to the art work on the front when it is in the sunlight. There are six different models from which to choose: David & Goliath, Jonah & the Whale, Moses & the Red Sea, Noah's Ark, a tree, and a flower. The shirts are available in any size from child's 2 to XL for adults for only \$6. The shirts will be personalized with League City Church of Christ on the sleeve. We are proposing that if you buy one for your child, you also buy one to be used as a give away for the visitors to our Summer Reading Club. If you want to get a shirt at that price, you must get your order in to Jo Bryant by next Sunday. (Of course, you do not have to take part in the Reading Club to get a shirt, and you are not required to buy more shirts than you want for yourself.)

Live well, Learn much, Laugh often,
Ralph

Please email your family's current contact information : thesunvalleyconnection@gmail.com.

Thank You

Dear League City Church, Thank you so very much for the great honor and night of appreciation. On behalf of my teaching peers, I can tell you it was a wonderfully planned, beautifully executed event. Your gifts of serving, helping, performing, cooking, decorating, speaking....., loving, are exemplary.
