Bread is perhaps the most basic nourishment of humanity. Write two paragraphs to discuss what Jesus is implying by comparing himself to bread.

TIPS FOR TEACHING PARENTS

Remind children of the Old Testament Wilderness Wanderings. God supplied daily food for the Israelites. God still supplies his children's physical needs; God sent Jesus to supply our spiritual needs. Remind children that they used to be smaller than they are right now, that they grew bigger and stronger by eating food. Our spirits can grow, just like our bodies, if nourished properly.
